

Internal Media Compartment

For Models 2310HD, 3220HD, 4610HD and 5500HD

**Enables Outdoor Digital Signage Network Solutions for
Stadiums • Theme Parks • Hospitality**

SunBriteTV's Internal Media Compartment with Cable Kit is an in-factory upgrade modification that customizes the TV to accommodate the Cisco® Digital Media Player*, Enseo® Pro:idiom Hospitality Tuner*, or fanlessPCs in the TV's water-tight cable compartment.

The compartment enables easy accessibility and simple installation. Once the media player, tuner or PC is installed and the door is closed, the media is completely sheltered by SunBriteTV's all-weather feature-set including extra cooling fans, and is protected from rain, dirt, insects and extreme weather temperatures.

**Cisco Digital Media Player, Enseo Pro:idiom Hospitality Tuner and PC are not included.*

For more information on Models 2310HD, 3220HD, 4610HD and 5500HD please see their respective Spec Sheets.

Internal Media Compartment shown with Cisco Digital Media Player

SB-DMP23	Houses the Cisco Media Player on Model 2310HD
SB-DMP32	Houses the Cisco Media Player on Model 3220HD
